Dear Kathy,

Thank you so much for your participation as a keynote speaker at the Bay Path College Career Development Summit. We appreciated the time you took out of your schedule to present to our students. The knowledge you shared about motivation and professional drive was both inspiring and well received by the students.

Professionals like yourself help to assist those of us at the college who try to educate the students on the importance of being prepared for the world of work.

We look forward to being in contact with you again in the future. If you have any comments or suggestions regarding the Summit, please let us know at salsmith@baypath.edu.

Thank you again for being a part of our Career Development Summit!

Sincerely,

Sally Schirmer-Smith
